2021/22

SYDNEY FC HOSPITALITY 2021/22 SEASON

MESSAGE FROM CEO DANNY TOWNSEND

As a treat for Sky Blue fans in our last A-League Men's season away from the Sydney Football Stadium, we are pleased to offer special hospitality experiences to celebrate.

While we look forward to entering our new home, we know that Netstrata Jubilee Stadium and Leichhardt Oval offer a suburban match day experience like no other. These stadiums boast a unique environment to watch Australia's best footballers up close and personal in an electrifying atmosphere. Week in, week out, our A-League Men's squad has enjoyed much success in our past few seasons at these venues and we hope this will continue for our A-League Women's squad in the coming seasons.

So, this season, match our style of play on the pitch with the style of a premium match day experience. Whether it be in a Private Suite, Outdoor Box or in our Chairman's Club, celebrate the right way, as we look to take back the A-League Men's crown in season 2021/22.

See you on match day.
